

Data Science and Data Analytics

This program provides you with the skills to succeed in data science and analytics through courses in data science, artificial intelligence and data engineering, enabling you to make data-driven decisions and work with large-scale Big Data systems. The Data Science and Data Analysis program consists of three required courses and two elective courses.

Total Units: 15
Completion Time: 9-12 months (full-time)
Modality: Online, in person, or choose a mix of both.
Special Programs: F-1 Compliant and WIOA/TAA Funding Approved.

*Courses may have prerequisites; review the course page before enrolling. A checkmark indicates the course is typically offered during that term. **
